Vinification:

15 hrs of maceration
spontaneous fermentation in large
wooden cask
8 months on the yeast in oak cask
bottled in July 2022

Analytical data:

alcohol: 14.0 % by volume
residual sugar: 0.8 g/l
acid: 5.6 g/l

About the name **preyda**

This wine-growing area is called „Prey.“ The name „Prey“ is probably derived from the Lombard word „brayda.“ In the mid-13th century, that was a term referring to a small leased estate.
